THE REASON

WHY

MOSELEY'S

WITH EVERYBODY:

1st. The coolest Soda Water is drawn from Daw's Patent, containing Frozen Cream and Shaved Ice.

2nd. THE LADIES PARLOR ICE-CREAM SALOON is here, and everything is so nice that the most fastidious cannot fail to be pleased.

3rd. MOSELEY supplies families with the best the market affords, and you can find a fresh supply always ready.

4th. Gents will find good CIGARS and TOBACCO always on hand.

BANKER CIGARS.

PUFF OF SATISFACTION.—Nothing is more grateful than the solace of a good-flavored and free-smoking cigar. Such are Mehegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the inveterate smokers are breaking their pipes.

We honestly think two boxes of Mehegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

We recommend the Bankers, and know whereof we affirm, for as we write we are consol d with the proud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

Pink Hardie is Agent for the Bankers, and says he has a letter from Mr. Mehegan, saying that the stock in them is better than ever. Go and try them.

JOSIAH TURNER, Jr., EDITOR

TUESDAY, AUGUST 9, 1870.

The election, we learn, will be contested.

PITT.

Shipp 13 maj., 41st Congress, O. Hagan, D., 15 maj., 42nd do., Humphrey, D., 15; Senate, McCotter, R., 11 maj.; House, Atkinson, D., 30 maj., Joyner, D., 24 maj. County officers Conservative.

ROBESON.

The election in this county resulted in the overthrow of Hayes, Sinclair and Proctor, and the election of B. M. Norment to the Senate, and Thos. A. McNeill and H. B. Regan to the House, all Conservatives, also the whole county ticket except the Sheriff, but he denies being Radical.

ASHEVILLE, N. C.
August 6th, 1870.

EDITOR SENTINEL:—Buncombe County has given a Conservative majority of over five hundred, Madison County, heretofore Radical, has rolled up a Conservative majority of 86. Yancy County has increased her Conservative majority to 350. Mitchell County, the "banner County" of Radicalism, having heretofore given a Radical majority of 800 is in all probability, Conservative. Flemming, Conservative is certainly elected to the State Senate from McDowell, Yancy, Mitchell and Madison Counties. Merrimon's majority, for the State Senate, over Bro. Blythe (the man who told the anecdote of the Dutchman's prayer) is at least 900, a gain in Henderson, Transylvania, and Buncombe counties, of over 1900. Brownlow Morris is elected to the House of Representatives from Henderson County, and will act with the Conservatives. He voted for Merrimon and Shipp.

In short, Mr. Editor, we have carried every county west of the Blue Ridge, except, *perhaps*, about one! Never has there been such a "ground swell" before in this part of the State. Radicalism is so completely annihilated that there is scarcely left a single Radical to tell the tale of their ruin. Many who voted the Radical ticket are now rejoicing with us over our unprecedented victory. Even the negroes say that they have voted their last Radical ticket.

The PEOPLE of the West have fixed the broad seal of their condemnation upon Holden's usurpations, and God will bless them for it.

Everybody thanks Josiah Turner for the able blows he has dealt upon Radicalism.

In haste, yours truly,
CONSERVATIVE.

LAWLESS OUTRAGE.

Mr. Turner, the editor of this paper, having been seized by surprise and borne off to prison, we have not, until very recently, been informed of the circumstances of outrage and indignity to his household, which ensued after his arrest.

We learn on undoubted authority, that after surrounding and capturing him when alone near the Railroad station, a band of armed men went to his dwelling, half a mile distant, outside of the town of Hillsboro', and there hunted through every room in the house, without warrant, taking several pieces of firearms, including the shot guns of his little boys, and bore them away with them, whether as trophies of victory to be sent to Holden, or for some other use, we are not informed.

Not only is the liberty of the Press stabbed to the heart by this high handed outrage, and that from a source that has teemed with libels at one time or another on every public man of the State, for twenty years, but "the right of the people to be secure in their person, houses, papers and effects, against unreasonable searches and seizures," has been grossly violated.

THE OUTRAGE ON PATTON.

It has been denied that the outrage said to have been committed on William Patton, of Alamance, by hanging him up by the neck, &c., ever took place.

We now make the distinct charge that the rope was put round Patton's neck and the end drawn over a limb of a tree, and that Patton fainted under the operation.

We make the further distinct charge, that Governor Holden knows that this outrage was committed on Patton, *and that he has admitted that it was committed.*

Let the Governor or any one else who dares, deny these charges, and we stand prepared to *prove them.*

Now, what becomes of the "certificate," over Patton's signature, that appeared in the *Standard* a few days ago, and which, no doubt, was forced from him; or that he was wheedled, or *cheated* into signing, under the inquisitorial process brought to bear upon him?

We repeat, that the outrage charged as having been committed on Patton, *was actually committed*, and that the Governor knows it and has admitted its truth. We DARE investigation.

Third Assistant Auditor Brig. General Allan Rutherford, has struck a bee line for Washington. His exit is said to have been like that of a little dog, with a tin pan tied to his tail.

The good people of Salisbury, on Saturday evening, indulged in a general jubilee over the redemption of our good old State.

JUDGE BROOKS AND GOVERNOR HOLDEN.

The *Standard* of yesterday, in announcing the fact that Judge Brooks "had issued writs of *habeas corpus* against Col. Kirk, commanding him to produce the bodies of certain prisoners held in Yanceyville by order of the Governor," asks the question "*what has Judge Brooks to do with murderers in North Carolina.*" We answer that Judge Brooks neither has, nor pretends to have, any thing to do with murderers in North Carolina; but he has a great deal to do with the illegal arrest and detention of many free citizens of the United States, who are now kept in close custody at Yanceyville by Col. Kirk under the order of Governor Holden.

The celebrated 14th Amendment to the Constitution of the United States, in its first section solemnly ordains that "all persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State where in they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws."

For the purpose of securing the liberty of the citizens of the United States, and of affording them the means of having an unlawful restraint of it removed, an act of Congress was passed and approved the 5th day of February 1867, which declares, "that the several courts of the United States, and the several justices and judges of such Courts, within their respective jurisdictions, in addition to the authority already conferred by law, shall have power to grant writs of *habeas corpus* in all cases where any person may be restrained of his or her liberty in violation of the Constitution, or of any treaty or law of the United States." The act then proceeds to point out the manner in which the benefit of the writ is to be obtained by any person who may stand in need of it. The counsel for the Alamance and Caswell prisoners, after vain endeavors to obtain relief for their clients from the State authorities, presented a proper petition to Judge Brooks, who gave to all the questions involved in the case a thorough examination, and came to the conclusion that it was his duty to issue the writs. Having done so, the people of North Carolina may rest assured, that he will use all *legal* means to have them enforced, the taunts and the threats of Governor Holden and his organ to the contrary notwithstanding. The *Standard* says in the same article, that "Governor Holden takes no advice from Ku Klux murderers or sympathisers. *He* is not in the confidence, nor is he the tool of such Ku Klux lawyers as Graham, Moore, Bragg, Merrimon and Battle." No person asks or desires him to take advice from murderers, Ku Klux or otherwise.—It is his great misfortune that he did not seek the advice of those whom he styles Ku Klux lawyers. They would, had he done so, have saved him from the ruin and disgrace, pecuniary and political, which now impends over him.

"MY VOICE IS STILL FOR WAR"

The impotent rage of Gov. Holden and his adherents gives vent to itself in the *Standard* of yesterday morning in a characteristic burst of venom against Judge Brooks and the learned counsel employed in behalf of the illegal arrests made by Kirk by the order of the Governor. We have not space to notice the article as it deserves. The public will know how to appreciate the spleen of the chagrined and disappointed Governor and his satellites. He has made war upon the unarmed and quiet people of North Carolina, without the shadow of law or reason, in the hope that it would provoke retaliation on the part of the people. He has circumvented the ends of simple justice and the rights of the people, by the aid of his Supreme Court, and now this redoutable knight of the drum-head, vapors and raves as if he were ready for a tilt against the whole power of the U. S. government! His rage is impotent.

Judge Brooks has sought no controversy with the legal government of North Carolina. The Executive has made war upon the Constitution of the State and its laws and against the Constitution of the United States. The appeal of our injured citizens to the Constitution of the State has been snubbed and insulted and outraged by Kirk and Holden and the Chief Justice, and now their appeal in the last resort is to the Constitution of the U. S. which has been grossly violated by Holden and Kirk; and now, Judge Brooks as an honest jurist and true to his oath comes to their rescue. He has simply done his duty in issuing the writs; and now the grounds of the contest are changed, from an outraged State Constitution and the great body of the unoffending people of North Carolina, with Gov. Holden, to the government and Constitution of the United States. The President will not disregard his solemn oath, to pander to the corrupt designs of an incompetent and bitter partizan, like Gov. Holden. The sacred rights of the writ of *habeas corpus* will be respected by President Grant as they have been by Judge Brooks, and our deeply injured citizens will be surrendered to the civil power without a crack of a whip, unless Holden and Kirk are spoiling for a fight with Uncle Sam.—Enough said.

Wilmington will have a grand Torch-Light Procession to celebrate our glorious victory.

JACKSON, MISSISSIPPI.—August 4.—An unusual event occurred here last night in the marriage of Hon. Albert T. Morgan, (white,) a distinguished republican Senator in the Mississippi Legislature, to Miss Carrie Highgate, (colored.) The ceremony was performed by a colored minister. The couple left immediately for Cleveland, Ohio, Morgan's former home, via Louisville. The affair greatly creates a sensation in the community. Morgan is a lawyer of some ability, of temperate habits, and was colonel of a Michigan regiment of the federal army. The bride is of a decidedly dusky hue.

THE STANDARD AND THE SUPREME COURT.

We see it announced again in the *Standard* of yesterday that "Governor Holden is sustained by the Supreme Court of the State," and it is then asked, "by what authority does Judge Brooks disregard the action of the State Court?"

We had understood that Chief Justice Pearson had decided in the case of the Alamance and Caswell prisoners, that the writ of *habeas corpus* was not, and could not be suspended in North Carolina; and that it was the duty of Col. Kirk, as soon as he had arrested the parties by the order of Gov. Holden, to have delivered them over to the civil authorities to be dealt with according to the laws of the State. How then can the *Standard* assert that the Governor is sustained by the Supreme Court in his refusal to obey the order of the Chief Justice, commanding that the bodies of the parties arrested and detained by Col. Kirk should be brought before him, the Chief Justice? The Chief Justice says in his last opinion, "it is gratifying to be able to say that the other Justices have been in unreserved conference with me, and all confer in these *habeas corpus* proceedings." This makes it necessary for the friends, not only of the Chief Justice but of the other Justices of the Supreme Court, to explain this apparent discrepancy between the published opinion of the Chief Justice, and the assertion of the *Standard*. Surely, surely, the expression in the opinion that "the safety of the State is the Supreme law," was not inserted for the purpose of giving the Governor a pretext (it cannot be an excuse) for his refusal to permit the bodies to be produced. The public are anxious to hear the explanation. Let us have it.

"ALL HUNKEY DORA!"—JOSEPH ON A RAMPAGE.

We take the following from the Wilmington *Post*, (Rad.) of the 7th inst:

Let the eagle scream—another glorious victory—Democrats disappointed—the State safe—all hunkey dora—Phillips elected—Dockery to go back—large Republican gains—the West all right—the death of the Ku Klux—old Salt River.

The following dispatch from Hon. Jos. W. Holden gives the lie to the many copperhead "Conservative" statements of Democratic successes:

RALEIGH, Aug. 5, 1870.

We have carried Wake; probably this Congressional District. Conservative rumors are false. No returns from the West.

JOS. W. HOLDEN.

The above reminds us of an anecdote.—An Irishman was crossing a pasture in which there was a savage bull. The bull saw the Irishman and made for him, with his nose to the earth, pawing and bellowing. The Irishman saw the bull, and it occurred to him that it would be grand fun to let him come up, and then take him by the horns and rub his nose in the dirt.—The idea appeared so funny that he lay down and rolled over in excess of merriment. The bull came up with his nose still close to the ground, and still pawing and bellowing. The Irishman was so tickled at the trick he was going to play on the bull that he could hardly stand up, but just as he was about to put his funny project in practice, the bull took him on his horns, gave him a toss and threw him over the fence. The Irishman raised himself up, felt all over himself to see if any bones were broken, and then quietly remarked to himself, "Well, it's a mighty good thing I took my laugh out before the baste came up, for, by the howly Saint Pathrick, I don't see anything to laugh at, now!" That's Joe's case.

[From the New York World.]

THE NORTH CAROLINA ELECTION.

If we may believe the cheering news which the telegraph brings us to day from North Carolina, President Grant has "filed his soul" in vain with the machinations of a Holden and the brutalities of a Kirk. In spite of the lawless terrorism suffered to run riot in that noble old commonwealth, the plans of the Radicals at Raleigh, acting in concert with their employers at Washington, for keeping the State misrepresented and its voice made a lie in the Federal councils, have come to naught. It is reported, and with apparent authority, that the Conservatives have elected not only five out of the seven members of Congress to whom the State is entitled, but such a decisive majority on joint ballot of the State Legislature as will secure the return of a Conservative to the Senate of the United States next winter. This result, if it be even approximatively achieved, will reflect the highest possible honor on the courage, the self-command, and the intelligence of North Carolina. It will intensify, also, the indignation of good men everywhere that a people so quietly determined to right without a blow at the ballot-box wrongs which in many lands and in all ages have driven men into bloody revolution, should be insulted by the persistent denial to them of any real control over their State authorities.

Whether even two such persons as alone would have accepted a Radical nomination to Congress in circumstances so subversive of all the principles of freedom as those in which this election has just been held shall be permitted to occupy seats in the Federal Legislature, is a question which ought to be raised when these men make their appearance at Washington. If the Democracy of the nation, as we doubt not they will, do their duty manfully at the polls in the coming elections, the question could hardly be raised in vain. If anything ought to vitiate the return of a man claiming to represent a free people, it should be proof that he has been chosen under loaded batteries turned upon voters, and within sight of the tortures inflicted by an irresponsible military officer upon his political opponents.

SAARBRUCK.—In English, Saarbridge, is a little unprotected place where the Saar is crossed by a bridge, exactly on the boundary line between France and Rhenish Prussia, and its capture is about as important as was that of Suffolk a few years ago. It was probably defended by a few Prussians, placed there on picket duty. Such is the place about the capture of which by a division such noise is made by the Paris telegram.—*Exchange.*

The female clerks of New York city have held a meeting and organized an early closing association to carry into effect the demand that their hours of business shall end at 7 P. M. daily.

At a Sunday School in Ripon, a teacher asked a little boy if he knew what the expression "sowing tares" meant. "Oooh! I does," said he, pulling the seat of his little breeches around in front, "I teared it sliding down hill."

For the Sentinel.

"THREE TIMES, MY COUNTRYMEN!"

"The King of France, with twenty thousand men,
Marched up the hill and then marched down again."

See the gallant Clarke, marching down Fayetteville street, (time, 5 o'clock, P. M., August 4th—election day,) armed cap-a-pie in what *appeared* to be a borrowed pair of U. S. uniform pants, two and a half inches too short with two big grease spots on the seat; low-quartered shoes; full dress uniform, with yellow colored cotton flairs on the shoulders; long black rooster feather, twenty-two inches long, waving in warlike grandeur in the summer breeze; sword in hand elevated to the true Mexican angle and big "hoss pistol" in belt, and a two-inch stump of cigar in his mouth. A furious, grisley, "nasty, sassy" looking moustache, completed the *tout ensemble* of the doughty soldier and hero of the Ward war, as it appeared to your correspondent, who dared not approach near enough for a close inspection, for fear of "those troublesome little consequences of camp life," that no doubt inhabited the seams and wrinkles of the uniforms.

The gallant, (Major, Colonel or General, which?) having thus for the third time painfully, (O, that horrid copper bullet!) drawn his sword in his country's defence (?) gave the word, "f'ward!" when thirteen, (full baker's dozen) of "N. C. State troops," (borrowed temporarily from Tennessee) uniformed in navy blue, (borrowed from President Grant's stock of condemned dry goods,) armed with fierce and glittering muskets, (borrowed from the Governor of Indiana,) fell into line single file, each with his lunch of gingerbread in the breast of his coat, and came marooning down Fayetteville street, the gallant ——— (E. er, at the head of the line, smoking the aforesaid stump of cigar.

Tramp! tramp! tramp! They marched, and they marched, and they marched; and finally they reached about half way down the street, when they met and demolished a fortification of watermelon rinds, after which they continued their progress toward the Court House to suppress the four pence ha'penny insurrection that had arisen in that vicinity. They arrived, after peace had been restored! and drew up in a ferocious looking line in front of the voting stands, that stump of cigar puffing out smoke like a tar kiln.

The "gallant—commander, having thus added another feather to the ponderous plume of his military glory, "my countrymen," he was informed by the Sheriff that he had no use for him or his troops. The gallant—officer, appeared relieved, and great, big drops of satisfaction rolled down his war-worn face. He ordered his gallant boys in the old refuse uniforms, to "fall in" and they fell in; and the retreat began, to the spirited march of "two little pigs and a bob-tailed sow," by the Jews harp band, and the arduous campaign ended.

DEPARTMENT OF NORTH CAROLINA.
EXCELSIOR LIFE INSURANCE CO.,
OF
NEW YORK.

P. F. PESCUD, Raleigh,
GENERAL AGENT AND MANAGER.
DR. C. E. JOHNSON, MEDICAL EXAMINER.

CASH ASSETS - - - - - - - - $500,000.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, *some decidedly lower than* those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual or Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Hitherto, I have been reluctant in the very matter Company which I had the honor to represent to *Stock rates alone*, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this State who claimed to possess unusual charms, together with the extraordinary alterations presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, *also an Annuity Bond* which provides an *income in cash for rough life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements will be made with first class solicitors, to push the Excelsior forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

NEW GUTTERS.—We notice the city authorities are having new stone paved gutters made along Fayetteville street, from the head of the street to the Hargett crossing. This was a necessary improvement and will add to the comfort and health of that part of the street; but our citizens are so tax-ridden already for things not necessary, and for so many unenjoyable luxuries, and the city is so terribly in debt, that we can not rejoice in these improvements as we could if there were no expenditures except for what are *really* improvements.

KIRK AND THE WRITS.—We learn by telegram from Salisbury, this morning, that the U. S. Marshal served the writs issued by Judge Brooks, to have the prisoners in Kirk's possession brought before him at Salisbury. Kirk stated that he would "consult the Governor before he made his return." Of course Judge Brooks will take the legal steps to have the writs obeyed.

MAP OF THE SEAT OF WAR.—We are indebted to Messrs. Burroughs & Springs, General Agents in this State of the "Equitable Life Insurance Company of the United States," for a map of the seat of War in Europe, showing the position of the different posts occupied by the armies on both sides, and the ground of the recent battles of Saarbruck, Geis and Weissenburg.

DOGS ON NO DOGS.—Here we are in the midst of August, with dogs enough in Raleigh to furnish New York with Bologna sausages nearly an entire season, and not a dog collar visible anywhere. Has there been no precaution taken against mad dogs? Are there no taxed dogs? Last year there was a regular dog collar fever prevalent among the city officials, now they seem perfectly indifferent on the dog question.

FLATTERING TESTIMONIAL.—The Democrats gained over two thousand votes in Davidson and Rockingham, where Phillips, and Dick Badger, Scott and Billy Smith made "ceiling speeches." A correspondent writes from Lexington that a heavy subscription had been started to buy Phillips and Badger a tin cup and Billy Smith a new tin horn. Ninety-seven cents had been raised, which will buy the cup and horn, leaving two cents over which will be paid to Scott in cash.

SECRET POLITICAL ASSOCIATIONS.—The Radicals are so chagrined and discomfited at their defeat, we learn they are talking of reviving the Union Leagues by a more efficient organization. After their ridiculous furor about Ku Klux, such a scheme would be the height of impertinence. But we are not concerned about it, as we presume one of the first acts of the new General Assembly, will be the passage of a stringent law, making the formation of secret political organizations under whatever name, a high crime against the peace and dignity of the State. Such associations are evil and only evil, and are repugnant to law and order and the peace of society, and should be prevented by the strong arm of the law.

DON'T PAY FAST.—The Reds of Johnston county hired a band of music to play for them round the county during the campaign. On election day they undertook to "lift a collection" to pay the musicians, and only succeeded in collecting 56 cents, after hard begging among their party. The band which has heretofore called itself "The Republican Band," have called a meeting to consider the propriety of a change of name.

Sound Logic for the Sick.

The invalid has often good reasons to exclaim, "save me from my friends." As a general thing, each of them will have a different medicine to propose, and if he follows all their prescriptions to turn, their well-meant advice may be the death of him. The only sensible course in any case of sickness is to resort promptly to a specific which has stood the test of a long and widely extended public experience, and obtained on solid and sufficient grounds the reputation of a Standard Remedy. This rank among the restoratives of our day belongs of right, and beyond all dispute, to Hostetter's Stomach Bitters. Let those who are taking it at this debilitating season as an invigorant answer for themselves as to its tonic properties. Can any dyspeptic who has ever used it, question its superiority as a stomachic over every other medicine? Can any person of bilious habit, who has ever taken it for liver complaint doubt its efficiency? It is believed among the tens of thousands who sip now using, or have heretofore used it as an alterative and corrective, not one can be found who would exchange it for any other preparation in the known world. For intermittent fevers, nervous debility, constipation, sick stomach, and all complaints arising from indigestion or impoverishment of the blood, it is the only article which can be conscientiously guaranteed, and no one who is thoroughly acquainted with its virtues will allow interested dealers in worthless slops, on which they make a larger profit, to furnish them in the place of the great vegetable restorative.

NORTH CAROLINA AFFAIRS.

The Washington *Chronicle* is the paper that got such a large slice of Gov. Bullock's Georgia plunder for "advertising"—that is, for publishing canards fabricated to prejudice the North against the people of Georgia and push Bullock's Georgia bill through Congress. This organ of the carpet bag lobby now expresses a hope that Gov. Holden will hang "the men who have been murdering the Union people of North Carolina for the last four years." Moreover, it says:

Governor Holden, of North Carolina, is sustained by the President upon a square understanding of the facts. General Grant never yields to impulse, and when he decided to help Holden it was in full view of the necessities of the situation.

Of course Grant has "a square understanding of the facts, and hooks up Holden "in full view of the necessities of the situation." Did not the letter of a New York *Tribune* correspondent early in May announce "the necessities of the situation?" Did he not declare three months ago that the Radicals could not carry the elections in North Carolina without military interference, and did not the North Carolina Senators tell him, "We intend to use the military, and, in justification, we must get these statements disseminated through the North?" This was certainly a "full view of the necessities of the situation." If any more evidence were wanting to "a square understanding of the facts," it was furnished by Mr. Boynton, the Washington correspondent of the Cincinnatti *Gazette*, who wrote to that paper July 23d as follows:

"It seems strange that so little should be known here concerning the real condition of affairs in North Carolina. There is more than a suspicion that but little cause exists for the extraordinary course taken by Governor Holden. One fact, known here to most of the press, has done more than any of the stories from either side on the field of action to throw suspicion upon Holden's movements and create the belief that he has acted only to further the interests of local political factions. And that fact is this: A few weeks before the adjournment, Senator Pool came to the reporter's gallery and called out a gentleman he supposed to be connected with the Washington *Chronicle*. He then showed him a North Carolina newspaper in which there was a collection of Ku Klux outrages, murders, and robbings drawn out at great length. The Senator went on to say, quite confidentially, that it was desirable the *Chronicle* should at once begin the publication of this collection, and keep it up until the statements made should be well disseminated in the North. He further explained the need of this by saying that, to carry the State next fall, it would be necessary to use the militia extensively, and if this collection of outrages could be well circulated beforehand, it would justify the step in the eyes of Northern Republicans. Mr. Pool made the mistake of communicating all this to the wrong man. However, he must have ascertained his mistake afterward and remedied it, as the accounts of the outrages in North Carolina began to appear the second day after this conversation, and in due time the State militia has appeared upon the scene."

As to murders it seems they have been going on in North Carolina for the last four years just as they have been in all other States for the past forty years, and in a great many cases the ordinary legal machinery has been found inadequate to the detection and punishment of those who murdered rebels, as the Democrats are called. We believe Gov. Holden is able to cite the unavenged murder of three Radical citizens in four years, one of whom he himself had said "must be got rid of." Yet all this time justice sat serenely on the bench in the person of Radical Judges, and vengeance slumbered with her claws concealed until the approaching election of August 4th aroused her. Then martial law was declared, *habeas corpus* suspended, and "Kirk's lambs" sent out to create a reign of terror. The jails are full of innocent citizens, the Virginia border is covered with fugitives, and the crops rot in the field; but there will be a glorious Radical victory on election day, and Holden will be empowered to repeat his exploit whenever "the necessities of the situation" and the terrible "advertisements" of the Washington *Chronicle* may justify it.

Meantime, Kirk's drum-head court-martial is eliciting more justification by choking confessions out of his prisoners, and Burgen his Lieutenant-Colonel, is hanging them up by the thumbs with the same loyal design. The New York *Tribune* says that these attempts to force confessions from prisoners "is a relic of barbarism and slavery which not even martial law recognizes, and which the people of this country will not countenance for an instant." But if the people of this country are not too squeamish to countenance a State administration that cannot govern without martial law, nor permit citizens to pass upon its acts at an ordinary election unawed by a rabble soldiery, they should not object to the necessary incidents of that sort of government nor deprive it of the only means by which it can justify its other severities. The President, it seems, is not so sentimental. "General Grant never yields to impulse, and when he decided to help Holden it was in full view of the necessities of the situation."

THE RESULT IN NORTH CAROLINA.—The election in North Carolina seems certainly to have resulted in a conservative triumph, and hardly any honest man will regret that such highhandedness as Gov. Holden has practiced, has been signally rebuked by the people of that plundered State. A majority of the Legislature and four at last out of seven Congressmen have been secured by the conservatives. The conservative candidate for attorney general has also been elected by a handsome majority. The New York Times thus moralizes upon it:

"It seems certain that the anticipations of riot and bloodshed, which were Gov. Holden's pretext for invoking the presence of Federal troops were not realized. And it seems at least probably that, notwithstanding Holden's extraordinary efforts—we might almost say in consequence of these efforts—the gains have been on the side of the democracy. There is a possibility of managing election matters a little too much."

It is known in addition that capitalists and moneyed men generally were disgusted with the reckless manner in which the Legislature of the State trifled with the public credit by passing all sorts of corrupt railroad grants, &c., until the bonds fell to less than thirty cents (one class now selling at only twenty-four cents) on the dollar. The credit of the State before the war was very good. When we remember that the debt has been enormously increased since then, with little or nothing to show for it, a domestic revolution is hardly to be wondered at. It is ignorance and rascality that has been defeated. All this only shows the necessity of a constitutional prohibition of State aid to railways, &c. If new roads are really needed capital can generally be found to build them.—*Baltimore Sun.*

It is stated that honest old Joe Lane, of Oregon, is a candidate for the United States Senate. The Democracy of Oregon might go farther in the selection of a Senator and fare worse.

WASHINGTON.

WASHINGTON, August 8.—Revenue to-day over $1,000,000.

FIRST COMPTROLLER'S OFFICE, WASHINGTON August 8, 1870.—By the provisions of the 5th and 7th sections of the general appropriation act for the fiscal year ending June 30th, 1871, appropriations made for the current fiscal year can be extended only for the year—that is, for debts and liabilities accuring within the year, and former appropriations can be used only in payment of debts and liabilities accured and in the fulfillment of contracts properly made prior to the 1st of July, 1870. These provisions do not apply to appropriations known as permanent or indefinite, nor to those to which Congress should give a longer duration of law. Disbursing officers are hereby instructed to observe these provisions of law strictly and they are also directed to render separate accounts of disbursements made on account of debts and liabilities accrued and contracts made prior to July 1, 1870, and separate accounts of the service of the current fiscal year. They will be careful also not to use moneys appropriated for former years for the service of the current year.

WILMINGTON, August 8.—Estimates of the Congressional election heretofore given in these dispatches are correct. The delegation stands five Conservatives and two Republicans. The majority of Waddell, Conservative, in the Congressional district, is about 600. The political complexion of the Legislature will not vary much from the following: Senate—Conservatives 32, Republicans 18; lower House—Conservatives 75, Republicans 45. The utmost quiet prevails except in the counties occupied by Kirk and the militia.

FOREIGN

LONDON, August 8.—The *Times* says it is a momentous question whether the Emperor's health leaves him in possession of his ordinary faculties. The war is marked by his usual hesitation, which is attributed to the random and purposeless strategy and puzzling inaction, which have probably brought calamity to the national arms. The Emperor is now bound to accept battle instantly, yet he has on hand the task of concentrating his forces and restoring *esprit* to a defeated army, and this while the enemy is concentrating in the heart of Learmoine. Circumstances will soon force the reappearance of England in the character of a mediator.

The Orleans Princes are proud of their money in relieving the wounded of the French army.

Ships still enter the Elbe and Weser notwithstanding the blockade.

A French ram is cruising off Dover.

Pleasure travel continues in Switzerland despite of the excitement the war occasions.

The increase of bank rates had a favorable effect upon the grain market by purging it of speculative operations.

London receives the news of the French defeat with profound sorrow.

The Prussian forces menace Metz and St. Avold. McMahon continues to retreat towards Nancy.

Illuminations and public rejoicings took place last night at Hamburg, Dresden and other cities. The French prisoners are everywhere kindly treated.

It is stated privately that the Emperor is ill at Chalons and that the doctors Nelaton and Ricord have gone to attend him.

The British Foreign Office has imperative demands from Prussia that England shall stop the shipments of coal to France or abandon the pretence of neutrality.

It is believed at Antwerp that the war will end in a week.

A Brussels dispatch says the King's speech from the throne contains the statement that France and Prussia have given a written pledge to observe the neutrality of Belgium.

The condition of Paris is believed to be dangerous. The Empress is in council with Rouher and Schneider.

The London *Globe* says: "The Prussian Envoy insists upon criminal proceedings against the British pilots serving in French war vessels. The demand has been refused."

PARIS, August 8.—The remainder of the "Garde Nationale" is to be incorporated with the "Garde Mobile." The two corps will be organized into a single body at once.

The "Journal Officiel" says: "The relations of France with other powers is satisfactory, and late events have developed rather than weakened this feeling."

The "Journal Officiel" contains the following: METZ, August 7, a. m.—In the battle on Saturday, General Colson was shot by McMahon's side. General Raoul is missing. Our artillery suffered heavily. McMahon is now in communication with General Folly. Metz is preparing for a vigorous defence.

The "Journal" adds, our relations with foreign governments are not prejudiced by Saturday's events; on the other hand they develope the significant fact that what those governments want, in common with France, is the maintenance of a European equilibrium.

Tuesday Evening Dispatches.

NEW YORK.

NEW YORK, August 9.—A man supposed to be the murderer of Nathan was arrested at Newark last night, and will be brought here this morning.

FOREIGN.

The Corps Legislatif meets to-day. The ministry are making stirring appeals, and claim ability to arm two million men, and that Paris is invulnerable. Americans in Paris are receiving their passports. Marines and soldiers still in Algeria are ordered to the field. Much agitation is felt in Paris but no disorder.

The Earl of Granville stated in the House of Lords that the neutrality of Belgium is assured by the national Committee of France. No war discussions in the House of Commons yesterday.

Bazine is appointed commander-in-chief of the French army.

ROME, August 8.—The last of the French army of Occupation left Civita Vecchia to-day in the steamers "Magellan" and "Panama" for Marseilles and the seat of war.

LONDON, August 9.—The following official dispatch is dated at Hamburg in the Palatinate 9.45 a. m., August 8th. Yesterday after the battle of Woerth, the enemy retired in the greatest disorder. The French artillery endeavored to make a stand at Niederbron but that town was taken by the Bavarians. The enemy retired on the route to Bistoche. The cavalry of Wurtemburg captured the enemy's stores and four pieces of artillery at Reichshofen. The dead and wounded covered the route of the retreating army. This morning we have occupied Hagenau which was evacuated by the enemy. The German troops hold both banks of the Saar having occupied Sarreguemines and Forbach after a slight resistance by the French.

LIVERPOOL, August 9.—The buoyancy in the cotton market is attributed to Prussian success. The general impression here is that Prussia victories augur a speedy restoration of peace.

BERLIN, August 9.—The King of Bavaria makes the following report concerning the battle of Woerth. Early on the morning of the 6th inst, just as our troops had left their bivouac to march on Reichshofen, thunder of cannon was heard. Our movements were hastened and we soon came up with the first corps, which was engaged with the enemy. The Bavarian troops were placed in action at once and participated in the assault upon the heights of Geisberg, which were carried about 5 o'clock. The French being repulsed in disorder and with heavy loss. The action was severe and sanguinary.

The King issued a congratulatory order to the second corps, thanking them for their splendid conduct and gallantry.

PARIS, August 9.—There is an immense uprising of the people of France to repel the Prussian invasion. It is said officially that two millions men are ready to march and that the reserve corps will number one million. The people are clamorous for organization and leaders.

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient,) and then bathe freely the stomach and bowels with the Pain Killer. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma, cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and $1 per bottle.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 12th instant inquiring as to the merits of the "Utley Cotton Press" is to hand and in reply I would say that I have tried other Presses and consider the press upon which the *Utley Press* ought cheaper, simpler and more durable than any I have met with.

92 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,

GENERAL AGENTS,

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (cash assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with the General Agents.

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Places it unquestionably far in advance of any other similar invention

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

SWEET QUININE

Is a Rectal Therapeutical.

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar.

Dose for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from **Peruvian Bark** (as is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, **malarial or miasmatic poison,** the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that **intense, persistent bitterness,** which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN

THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 5 to 10 bbls, of the Fluid in an hour.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of admirn-tration the security of a Life Insurance Corporation depends

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.
